

Video Checklist

Do you have the following in the video you and your partner created?

__ A title slide. This tells us which culture you will be telling us about.

__ And introduction to the culture you are studying (3-4 slides)

__ Tell the creation story/myth of your culture

__ Your story includes pictures and text or voice over to explain it

__ A slide to close out the whole video "Final Thought"

__ One slide which includes your names, date, and rotation name

*****Have you emailed me the final product? msnider@wusd.org*****

All of these elements must be present to gain full credit for the project.
