

Art & Artifacts

Create a new Google Document in your classroom folder and title it Art and Artifacts. You will need to research and find information for 3 different pieces of art or artifacts relating to your religion. For each piece you will need to find the following;

- The Title of the piece (What is it called?)
- Image of the artwork, sculpture, or link to the music or video
- Date of when the piece was created
- Medium and Dimension (What is it made out of and how big is it?)
- Artist (Who made it? Or who found/discovered the piece?)
- Where is the piece now located today (Is it in a museum? A private collection?)

****Don't forget to include the citation** for every site you visit to gather information.
