

Religion “Origin” of Beginnings

You will be researching how your modern religion was begun for today’s class.

1. Create a new Google Doc in your classroom folder and title it Religion Origin
2. Research how the modern religion you are studying began. How did the religion come into practice?
3. You should have a minimum of one page of research using three different websites to find your information. (That is one page of Arial, 11 font, and I will check)
4. **Cite** all your sources!!
5. Finally, you will use the comments tool to heavily annotate your research.
