Core Beliefs

Each religion has a set of ideologies or core beliefs which they find most important and the basis for their faith. You will be researching these next for your assigned modern religion.

1. Create a new Google Doc in your classroom folder and <u>title it Core Beliefs</u>

2. <u>Look up</u> the main beliefs for your assigned religion. They are as follows
    a. **Hinduism**: 5 Principles & 10 Commandments
    b. **Buddhism**: 4 Noble Truths, 5 Precepts, & the Eightfold path
    c. **Judaism**: 13 Principles of Faith
    d. **Christianity**: 10 Commandments & 7 Deadly Sins
    e. **Islam**: 5 Pillars & 10 Commandments

3. Remember to <u>be specific in your search</u> since many of these religions have similar words to describe their beliefs.

4. And don't forget to **<u>CITE YOUR SOURCES</u>** as you research

5. The last step is to <u>annotate your findings</u>. We will do this next class and I will give you specifics on how to do so Wednesday.
