

## Resources

*Today we will be collecting, organizing, and formatting all the different sites you used during your research for this project.*

1. Create a new Google Doc in your classroom folder and title it Resources
2. Copy and paste ALL the different footnote citations and URLs you have collected while researching your religion.
3. For every URL which does not have a citation already formatted, visit easybib.com
  - a. Make sure the MLA7 format is selected
  - b. Paste the URL in the box provided and follow the steps
  - c. Once the citation is provided for you, copy and paste the information to your Resources document
4. Once each of your citations are complete, organize them in alphabetical order
