

## Writings

Create a new Google Document in your classroom folder and title it Writings. Then include the following information within the document.

- What is the religious text for your religion?
- Provide general information about the holy book (eg. what language was it originally written in, what information is written in the book, who wrote the book, or how is the book organized? Does it have different sections or "chapters"?).
- Pick 5 quotations from the text which represent important morals or ideals of your studied religion.
- Find 3 different hymns or prayers from your chosen religion.
- Find the origin story for your religion. Copy the original story and then summarize the story in your own words.
- Don't forget to INCLUDE THE CITATION for each site you visit to find this information
